SURFORMA® Lamifloor

SURFORMA® is a Sonae Indústria brand, which has been innovating and leading the sector for almost 60 years. SURFORMA® produces laminates and compacts mainly for furniture, construction and interior design industries.

SURFORMA®'s Lamifloor laminates are suitable to be bonded on substrates for raised floor. They are highly resistant and provide an elevated structural floor to create a hidden void for the passage of mechanical and electrical devices.

SURFORMA®'s laminates offer a variety of patterns, such as woodgrain, stones, neutral shades and so forth.

The High Pressure Laminate (HPL) SURFORMA® Lamifloor is an anti-static top covering highly resistant to abrasion, suitable to high-traffic areas such as offices, banks and commercial areas. Available in class resistance AC3 and AC5 - commercial use and heavy traffic. SURFORMA® Lamifloor – Maximum Resistance, Elegance and Comfort.

SURFORMA®'s decorative laminates are the best choice for trendy, resistant and durable floors.
